

Surface Transportation Board, DOT

§ 1121.4

Carrier Platform Study, Statement 2S1-79.

[47 FR 36184, Aug. 19, 1982. Redesignated at 47 FR 49570, Nov. 1, 1982]

PART 1121—RAIL EXEMPTION PROCEDURES

Sec.

1121.1 Scope.

1121.2 Discovery.

1121.3 Content.

1121.4 Procedures.

AUTHORITY: 5 U.S.C. 553; 49 U.S.C. 10502 and 10704.

SOURCE: 61 FR 52714, Oct. 8, 1996, unless otherwise noted.

§ 1121.1 Scope.

These procedures generally govern petitions filed under 49 U.S.C. 10502 to exempt a transaction or service from 49 U.S.C. subtitle IV, or any provision of 49 U.S.C. subtitle IV, or to revoke an exemption previously granted. These procedures also apply to notices of exemption.

§ 1121.2 Discovery.

Discovery shall follow the procedures set forth at 49 CFR part 1114, subpart B. Discovery may begin upon the filing of the petition for exemption or petition for revocation of an exemption. In petitions to revoke an exemption, a party must indicate in the petition whether it is seeking discovery. If it is, the party must file its discovery requests at the same time it files its petition to revoke. Discovery shall be completed 30 days after the petition to revoke is filed. The party seeking discovery may supplement its petition to revoke 45 days after the petition is filed. Replies to the supplemental petition are due 15 days after the supplemental petition is filed.

§ 1121.3 Content.

(a) A party filing a petition for exemption shall provide its case-in-chief, along with its supporting evidence, workpapers, and related documents at the time it files its petition.

(b) A petition must comply with environmental or historic reporting and notice requirements of 49 CFR part 1105, if applicable.

(c) A party seeking revocation of an exemption or a notice of exemption shall provide all of its supporting information at the time it files its petition. Information later obtained through discovery can be submitted in a supplemental petition pursuant to 49 CFR 1121.2.

§ 1121.4 Procedures.

(a) Exemption proceedings are informal, and public comments are generally not sought during consideration of exemption petition proposals, except as provided in § 1121.4(c). However, the Board may consider during its deliberation any public comments filed in response to a petition for exemption.

(b) If the Board determines that the criteria in 49 U.S.C. 10502 are met for the proposed exemption, it will issue the exemption and publish a notice of exemption in the FEDERAL REGISTER.

(c) If the impact of the proposed exemption cannot be ascertained from the information contained in the petition or accompanying submissions, or significant adverse impacts might occur if the proposed exemption were granted, or a class exemption is sought, the Board will:

(1) Direct that additional information be filed; or

(2) Publish a notice in the FEDERAL REGISTER requesting public comments.

(d) Exemption petitions containing proposals that are directly related to and concurrently filed with a primary application will be considered along with that primary application.

(e) Unless otherwise specified in the decision, an exemption generally will be effective 30 days from the service date of the decision granting the exemption. Unless otherwise provided in the decision, petitions to stay must be filed within 10 days of the service date, and petitions for reconsideration or petitions to reopen under 49 CFR part 1115 or 49 CFR 1152.25(e) must be filed within 20 days of the service date.

(f) Petitions to revoke an exemption or the notice of exemption may be filed at any time. The person seeking revocation has the burden of showing that the revocation criteria of 49 U.S.C. 10502(d) have been met.
